Acquirement of Land

4369. DR. A.K. PATEL : Will the PRIME MINISTER be pleased to state :

(a) the details of land acquired by the ONGC in Gujarat for drilling and other activities;

(b) whether any formula has been chalked out with consultation with the State Government for paying the land price to land owners in the State;

(c) if so, the details thereof;

(d) whether it is a fact that price of land so arrived at is much less as per the prevailling price; and

(e) if so, whether Government propose to increase the price to be paid to the land owners in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI T.R. BAALU): (a) A total of about 2880 Hectares of land has been acquired by ONGC in Gujarat State for drilling and other activities.

(b) to (e). The land required for ONGC's activities are acquired through the State Revenue authorities under the provisions of the Land Acquisition Act, 1894, as amended from time to time. The payment of price for the land so acquired is made by ONGC based on the rates fixed by the State Government from time to time in accordance with the said Act. The question of any revision of these rates does not arise as the issue of land price comes under the preview of the concerned State Governments.

Rural Electrification

4370. SHRIMATI SHEELA GAUTAM :
SHRI MADHAVRAO SCINDIA :

Will the PRIME MINISTER be pleased to state :

(a) the extent of electrification of villages has been completed in the country during the last three years, till date, State-wise;

(b) the estimated expenditure thereon;

(c) the ratio of electrification between rural and urban areas;

(d) whether the Government propose to privatise the electrification programme;

(e) if so, the details thereof; and

(f) whether all villages of the country are likely to be electrified by 2000AD?

THE MINISTER OF STATE IN THE MINISTRY OF POWER AND MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (DR. S. VENUGOPALACHARI) : (a) The details of State-wise electrification of villages during the last 3 years i.e.

1993-94, 1994-95, 1995-96 and till date is given in the statement attached.

(b) Financial assistance provided by the Rural Electrification Corporation for Rural Electrification Programme including village electrification, pumpset energisation, system improvement etc., to the State Electricity Boards/Electricity Departments/Rural Electric Cooperatives during this period is as under :

Period	Amount of financial assistance provided (Rs. in crores)
1993-94	692
1994-95	1028
1995-96	831
During 1996-97 (upto June,96)	62.02

(c) All the 4,029 towns in the country have been electrified, whereas out of 5,79,132 villages in the country, 5,01,911 villages have been electrified by the end of June, 1996.

(d) and (e). Government policy regarding private sector participation in power sector allows private sector participation in generation, supply and distribution of power. However, it is upto the concerned State Governments/State Electricity Boards to indentify the areas where they want to involve the private sector.

(f) Rural Electrification is a continuing process and electrification of all the villages by the end of 2000 A.D. will depend depend upon the availability of resources, power supply position in the States, total network of transmission and distribution system and other relevant inputs.
